

Dear Parent or Guardians:

On Wednesday, November 7th, all eighth grade students will be taking the PSAT. The results of this assessment will be used for high school placement. After a morning of testing, students will have the opportunity to partake in a pizza party in the Commons. Pizza will be provided by Dominos. The cost will be \$2/student for two slices of pizza. Your child will be responsible for bringing any other snacks they might want and their own drink.

Please fill out the bottom portion of this slip and return the slip and money by **Friday, November 8rd.**

Forms and money can be turned into your child's first period class.
